

Are there silkworm houses under the photovoltaic panels

Overview

Guano builds under the panels, acids chew at finishes, and feathers clog drains. Before long, panels that were installed to save money are costing it.

Are there silkworm houses under the photovoltaic panels

THERE , English meaning

We can use there at the start of a clause as a type of indefinite subject. This means that we can put the actual subject at the end of the clause and so give it emphasis or focus (underlined below):
