Main Battery Replacement

Since that battery also supplies power to the ECU memory when the car is switched off, as well as powering the stop/start system, don't ignore it. Like the main battery, Volvo recommend

Secondary Battery

My main battery just died, had it replaced with same, and car kept giving me Battery charging, so no stop start. When stop/start worked, it was for about 10 sec, and car would start, with

"Low Battery Charge" HELP

Have the battery checked at dealers - and just using a multimeter on the battery won't show duff cells in the battery. A new battery-cured mine - any decent auto-electric garage could do it.

LITHIUM-ION STORAGE & CHARGING CABINET

Comes with Control box with automatic alarm, visual and audible alarm, smoke detector, and automatic fire extinguisher. Complies with level 2 of standard EN

CellBlock Battery Fire Cabinets
