**Thai Solar Power Company**

We supply high-quality home battery backups, solar PV, and inverter systems for residential projects, as well as battery energy storage systems (BESS) for commercial and industrial buildings in Thailand.

### Secondary Battery

My main battery just died, had it replaced with same, and car kept giving me Battery charging, so no stop start. When stop/start worked, it was for about 10 sec, and car would start, with

### Battery Recycling for Businesses

Battery Recycling for Businesses Use the chart below to determine how to handle used batteries

### Household Battery Recycling

Household battery recycling locations Lead-acid batteries, or "automotive type batteries," are banned from disposal. Consumers may bring lead-acid batteries to any Wisconsin retailer that sells these

generated by your business. Batteries that are considered hazardous must be recycled or managed

### Main Battery Replacement

Since that battery also supplies power to the ECU memory when the car is switched off, as well as powering the stop/start system , don't ignore it. Like the main battery, Volvo recommend

### Battery issues

I've had both batteries replaced (with the correct models), done a 100 mile trip, overnight smart battery charge, charging voltage is fine, system messages cleared but I am still getting "low

### Replacement battery

Hiya, I have an early 2014 D2 cross country automatic. It keeps complaining about battery level, even after our (rare but very long drives). So I think the battery is shot. Funnily, when I put my

[Multiple Warning Lights/Error Messages/Battery deterioration](#)

TBH I would look at a replacement battery on the back of that info - but can't you get one from where you bought it? I don't know what a compliance centre is but does the vehicle come with

**Main Battery Change**

Going to change the service battery in my 15 V40cc D2. Anything I need to be ware of or look out for ??

**Low battery charge message**

The low battery charge message relates to the main battery. On vehicles with stop/start systems and intelligent alternators, the vehicle battery is designed to operate at around 80% SOC, to

[Low battery charge error , Volvo V40 Forums](#)

Hello everyone, I just bought my first car, a 2014 Volvo V40 T3, and a warning appears on the dashboard that says 'low battery charge.' The car is recently
