

Chint Power solar inverter

51.2V 300AH

Chint Power solar inverter

Commercial 60kW

The 50 & 60kW (55 & 66kVA) medium power CPS three phase string inverters are designed for ground mount, rooftop and carport applications. The units are high performance, advanced and reliable

Chint Power Systems

As a leading provider of solar energy solutions and equipment, we design, manufacture, and supply high-reliability, high-efficiency inverters with superior temperature protection, as well as advanced

Commercial 25kW-208V Inverter

The 25kW (25kVA) 208V CPS three phase strings inverters are designed for rooftop and carport applications. These units are high performance, advanced and reliable inverters designed specifically

[Chint Power Systems Commercial String Inverters . 25kW-100kW](#)

The Chint Power Systems commercial string inverter series delivers proven performance for medium to large-scale commercial solar installations across North America.

Chint Power Systems

Best in class cost leadership driven by value engineering and world class supply chain efficiency.
