Overview

The new panels maintain their vibrant green appearance regardless of viewing angle while still generating electricity. The technology paves the way for multi-layered cells that capture more of the solar spectrum than conventional panels.

Do photovoltaic panels look good in green

"Do you not" vs. "Don't you"

In "standard" spoken English, "Don't you" is more common, and "do you not" sounds very formal. But in some UK dialects "do you not" is the more common form (and not considered formal).
