

# Does the solar container outdoor power have a power outage function

## Overview

---

Solar panels are designed to convert sunlight into electricity every day, but many homeowners are surprised to learn that most solar systems will not provide usable power during a power outage.

## Does the solar container outdoor power have a power outage function?

### How BoxPower Solar Microgrids Work

Both product lines are rapidly deployable with easy PV racking hardware, pre-wired outlets, and permit-ready designs. All BoxPower systems can operate as a permanent off-grid energy supply or grid-tied.
