Environment Hawaii is turning ocean plastic into roads to fight pollution The ocean plastic that washes up on Hawaii's beaches is recycled into asphalt to pave roads. The roads are then

Air Topics , US EPA

Information about indoor and outdoor air quality, air monitoring and air pollutants.

Juba Solar Power Station

There are plans to build new generation stations and to import electricity from neighboring Ethiopia, Sudan and Uganda, but the civil war has hindered progress in that direction.

South Sudan launches solar energy

The 20MW solar facility is capable of supplying power to approximately 16,000 households in Juba, offering a significant reduction in energy prices and enhancing grid stability.

[Juba wind and solar energy storage project](#)

The 20MW solar facility is designed to supply power to approximately 16,000 households in Juba, significantly decreasing energy prices and improving grid stability.

[south sudan solar battery cabinet cabinet solar](#)

Why should South Sudan invest in solar power & battery storage? This project marks a significant achievement for South Sudan, reinforcing its commitment to renewable energy and
