Installing the Growatt SPH 10000TL-HU-US

I'm facing a bit of confusion trying to install this Growatt inverter because the manual says some things while code does not. This thread might help some others who want to better

[Growatt inverter grid tied stuck in stand by mode](#)

My solar system has 2 Growatt grid tied inverters, a 6kw and a 10kw. They have been working flawlessly for 2 months, then yesterday, the 10kw inverter (model min 10000TL-xh-us) just

[Has anyone had experience with Growatt SPF 6000 ES plus?](#)

I am currently using an SPF 5000 and thinking to upgrade. The 5000 has been quite good bar a few oddities, but i could use a bit more power and the 6000's two MPPT controllers will

[GROWATT BATTERY NOT CHARGING OR DISCHARGING](#)

Hi. I had a solar system installed in November, everything has been working great, been really happy with it. I have a 5kw Growatt inverter with a 6.5kw Growatt battery. For the past 2 days

Growatt EPS connection

I have a Growatt SP5000H inverter with 9kW battery storage and in anticipation of winter

power cuts I would like to connect a double socket to the EPS output. I have the 3-pin connector but

[Growatt Inverter + Pylontech Batteries : BMS Comms Guide](#)

1 x Growatt SPF 5000TL HVM 5kVA/5kW Hybrid Inverter. 2 x Pylontech US3000 batteries. 1 x Pylontech cable kit with RJ45 BMS comms cable included. I've just spent 5 days

[Growatt servers not showing data? This fixed it for me.](#)

The Growatt USB Monitoring Shinelink WiFi-F Stick enables convenient monitoring of solar systems via WiFi connectivity, ensuring easy access to performance data for efficient

Hacking the new Growatt WiFi-F modules

Hi all, just sharing my recent experience working with a Growatt SPF 3500 ES and the included WiFi-F module. I have a few other solar systems already feeding their data into InfluxDB

[Inverter repair \(Growatt\) without schematic](#)

I am trying to repair a Growatt MIN11400TL-XH-US. I haven't been able to find a schematic for it, but I do have this generic block diagram, courtesy of RCinFL. I found several

[GROWATT Shine WiFi-X Hotspot Default password](#)

Hello I tried 3 different Shine WiFi-X, but none of them go to the website. 192.168.10.100 not connected to the site, I tried with several mobile phones and Win7 laptop, Win10 Laptop but

[Growatt With Solar Assistant and Home Assistant](#)

Growatt Automation with Solar Assistant and Home Assistant: Flickering LED lights are a PITA but IF ONLY using this inverter for backup (sure other cheap inverters are the same), there is

[Growatt SPF 5000ES firmware update , DIY Solar Power Forum](#)

Hello, Has anybody updated their Growatt 5000 firmware? I believe that I'm on 041 05 701. Does anybody know what the latest version is? And if you do, what updates or goodies are in the

Growatt Error Codes: 4 and 19

Batteries went dead overnight (we had a big storm in NC yesterday and basically didn't generate any new power yesterday). Inverter is showing fault codes 4 and 19 this am after it finally

Growatt warning 61

from updated Growatt user manual spf-4-6k-dvm, no warning 61 in old manual Thought I would share this, haven't seen it posted anywhere. Upgraded SPF-6000T-DVM 6k all in one's control

Growatt/Shinephone app timeout issue

Hi all. The past 2 days my Shinephone app for my 7.4kW home Growatt solar system keeps giving me a network timeout message. I checked the dongle on the inverter and it is flashing

Export Limit with Growatt inverters?

It suggests that Growatt MIC and MIN Series inverters can be controlled for zero export using a remote CT-sensor-based 'Growatt Meter' I'm curious whether we have any members out
