House for sale with photovoltaic panels included

California Green Homes for Sale

Located in the peaceful wilderness of Lake Pillsbury, this unique off-grid retreat sits on approximately 100 private acres surrounded by forest and Capay Valley

Keeping pipes from freezing

From there the main to the house goes underground to the main house and comes up an exterior wall and actually above the ceiling into the attic space (under insulation but still meh).

2009 House with Fireplace Insert

Our house was built in 2009 and it has a beautiful fireplace with an insert. We didn't do too many fires last winter (maybe 1) but this year are wanting to use it more.

[8 Questions to Ask Before Buying a House With Solar](#)

While solar panels can be a huge perk, they also come with a few things you should look into before making an offer. This guide will walk you
