

# How is the construction of the Croatian communications industry

## Overview

---

Croatia's ICT sector continues to grow, driven by EU digitalization funding, growing tech exports, a vibrant domestic startup ecosystem, and strong demand for private and public sector digital transformation.

## How is the construction of the Croatian communications industry

### Croatia

OverviewTelecommunicationsEGovernment ServiceSmart CityCybersecurityResourcesThe Croatian ICT market growth was steady in the last five years due to the COVID-19 pandemic, strong government modernization efforts, healthy enterprise investments and a strong consumer outlook. ICT services account for about 70% of the market, followed by 26% from equipment sales, and only 3% from hardware manufacturing. The ICT market is still See more on trade.govHAKOM
