

How to talk about energy storage cabinets

Overview

An energy storage cabinet stores electrical energy, then supplies it during outages, high-demand periods, or times when electricity prices peak.

Alembic Club at Talk Bass , TalkBass

Hi Collegs! If there re Alembic owners let s joint! Here are my Alembic Rouge6,Alembic Essence5.

EDEN WT400 talk to me about this amp.

Great amp. It's been replaced by the new WT550, that is very similar with a little more power. Remember that cab efficiency and size has as much to do or more with being loud enough .

[Talk me out of the Seymour Duncan PowerStage 700](#)

It looks really nice, but it's a different concept-- for some reason they decided to make a full-featured bass head instead of a "pedal platform" like the powerstage 700 (which is basically a
