All information or All the information / oceans or the oceans

The information refers to a specific set of information; that which the speaker obtains from fish. The oceans refers to the oceans of the world. Fish refers to fish in general.

indian english

Information cannot be kind, but it can be given with kindness. You can put 'kind' in similar greetings, such as 'kind regards' - the regards you are giving giving are kind in nature. When saying

grammar

A. organized geographically information B. geographical organized information C. geographically organized information D. organized geographical information The answer is C. But D i

What are other phrases for "full of information"?

I'm thinking of the following: info-packed / information-packed knowledge-packed I guess these are grammatically acceptable but probably there are better choices.

word choice

informant: a person who gives information to the police about secret or criminal activities So, as I read, informant/informer deals with information passed on to some authorities secretly.
