

Innovation in solar power generation

Innovation in solar power generation

Harvard Business Review

Find new ideas and classic advice on strategy, innovation and leadership, for global leaders from the world's best business and management experts.

The Discipline of Innovation

In business, innovation rarely springs from a flash of inspiration. It arises from a cold-eyed analysis of seven kinds of opportunities.

Innovation

Innovation Digital Article Sangeet Paul Choudary
The technology can dramatically reduce the "translation" costs that keep teams, tools, and data from working together.

Innovation: The Classic Traps

Innovation is back at the top of the corporate agenda. Never a fad, but always in or out of fashion, innovation gets rediscovered as a growth enabler every half-dozen years (about the length of a

[Research: Using AI Can Stifle Innovation. But It Doesn't Have To.](#)

Leaders love AI because it makes knowledge instantly reusable-drafts, code, analysis on demand. A recent study uses a formal model to show what happens when "good-enough"

[Drive Innovation with Better Decision-Making](#)
