Let farmers install photovoltaic panels

phrase requests

The relationship between z and w, on the other hand. Otherwise, know that a basic search will turn up let us in innumerable journal articles, official proclamations, formal invitations,

Perception of the phrase "kindly let us know "

Recently, I talked to a native speaker about the proper usage of the word "kindly". I frequently use phrases like "kindly let us know whether you agree with the suggested approach" in business let

quotes

Let go or be dragged. This is a saying often associated with Zen Buddhism (occasionally Stoicism). As far as I can tell, there's no historical connection, and it might well be originally English.

expressions

We often learn the structure "Let's do something", but why is there an apostrophe-s after let and before the verb? Why do we need 's in this structure? Does 's mean is or does it mean was?

The passive with "let"

Let normally occurs with a clause of some sort as complement, and passive is unlikely with a

Farmer's Guide to Going Solar

Farmers can benefit from solar energy in several ways-by leasing farmland for solar; installing a solar system on a house, barn, or other building; or through agrivoltaics.

[Farm Solar Panel & Energy Grants: A Guide to Agrivoltaic Agriculture](#)

REAP is a USDA program that gives farmers offers loans (at low interest) and grants (free money) to install renewable energy or make energy efficiency improvements on their farm or ranch.

grammaticality

I think that "Let A be a set, let B be a group, and let C be a number." is the most formal phrasing. Since this is a mathematically formal usage, I think that would be preferred, but I don't think any of the

pronouns

"Let us go/Let us pray" is a special verb construction of the type Let, imperative+us, accusative+bare infinitive. The speaker makes a suggestion and includes himself.

Not to Mention ? [Let Alone ? Much Less ? Still Less]

I find the distinction that MacMillan makes between not to mention and the supposedly synonymous let alone and still/much/even less useful: The phrases let alone and still/much/even less

phrases

In "Let's get started", the starting point is in view and "Let's get going", you are on the starting point already. Moreover, there is a sense of extra involvement abundantly made clear by the

Solar Panel Cost Reduction & Government Incentives

Government incentives are a crucial component in making solar panel installations financially feasible for farmers. These incentives aim to promote the

Transform Your Farm With Solar Power: Complete Guide To
