### **Modular**

Things like houses, cars, airplanes, and computers are all often constructed in a modular way. Rather than being built all at once, they are built in separate parts that get assembled into a finished product.

### **Modular**

Constructed out of usually prefabricated units with standardized dimensions, allowing for easy assembly and flexible arrangement: modular furniture; modular homes.

### **Amazon : Workshop Cabinets**

Check each product page for other buying options. Price and other details may vary based on product size and color. Discover more products with sustainability features. Learn more. Shop products from

### **Modular Homes**

Simply put, modular homes have sections that are built in a factory, rather than being fully built on a home site. These parts are then transported to the site and assembled by a builder.

### **MODULAR Definition & Meaning**

The meaning of MODULAR is of, relating to, or based on a module or a modulus. How to use modular in a sentence.

### **Modular Homes**

Constructing a modular home involves creating building modules in a controlled factory environment. (Traditional homes, meanwhile, are built entirely at the construction site.)

### **Network Racks and Cabinets**

Depending on the features of the cabinet you select, there can be perforated front and rear doors that allow for additional airflow. Graybar has a great selection of

### **MODULAR Definition & Meaning , Dictionary**

Use the adjective modular to describe something that is made up of pieces or parts, like a gerbil's habitat of tubes and cages, or a new house that is delivered in sections and then assembled.
