

**There is a difference in voltage  
between the two grosolar  
container of solar panels**

## There is a difference in voltage between the two grosolar container

---

[Electrical testing standards guide for the PV Industry](#)

In that case, the difference in voltage between the two points is nonzero, and current can flow from the live wire through the technician and into the metallic enclosure.

[THERE definition and meaning , Collins English Dictionary](#)

You use there in front of certain verbs when you are saying that something exists, develops, or can be seen. Whether the verb is singular or plural depends on the noun which follows the verb.

### There: Definition, Meaning, and Examples

What is the difference between "there," "their," and "they're"? "There" refers to a place or existence, "their" is a possessive pronoun, and "they're" is a contraction of "they are."
